Greig - WMU 6J

The 1,206-acre Otter Creek State Forest is named for the trout stream that meanders, for a distance of nearly 3 miles, from east to west through the middle of the tract. The gorge, cut by this waterway, offers visitors many breathtaking views from various vistas along its rim. The trails on this property are part of the 65 miles of Otter Creek Horse Trail system. There are 3 primitive campsites and 3 accessible primitive campsites located along the unpaved Otter Creek Road in the western portion of the property. Camping is prohibited from 11:00am Tuesday until 11:00am Thursday except by permit at Otter Creek State Forest during the northern zone big game hunting season. Camping is limited to designated sites. You may camp up to five consecutive nights.
