Grout Pond Area Trails

Tents must be on tent pads in designated sites near the pond! Grout Pond is an ecological special area and is home to a variety of unique plants including Lady's-slipper, Wild Iris, and Jack-in-the-pulpit just to name a few. Help us protect this resource. Please plan accordingly and place your tent on tent pads... if they don't fit or you have too many, you need to camp elsewhere.
