Cod Pond Trail

Johnsburg, Thurman - WMU 5H

A short, relatively flat hike back from NY 8 is Cod Pond. This map shows a designated campsite along Cod Pond, but in my experience it's more of an informal site -- you can pretty much camp anywhere you want back in the woods, as the woods is not too thick back except near the lake.

The trail as you can see splits twice, so make sure you don't miss your turn, especially during the second y-split (the main snowmobile trail is much wider then the trail down to Cod Pond). Coordinates are shown to use with your GPS.
