

Albany County Leg. District 39 2023

Going into the 2023 Election, LD 39 was the county's most challenging district for Democrats when you looked at the VAP-apportioned 2019 County Coroner's race, with an estimated DEM performance of only 46% and a negative 155 margin. Winable but challenging for Democrats.

However, this year with Hebert Joseph not receiving the DEM line, and Chris Smith switching parties to REP/CON, Herbert Joseph (WFP/HTF) only received 26% of the vote to Chris Smith's (REP/CON) 74%.
