

A photograph of a wooden sign mounted on a tree trunk. The sign is made of a weathered, horizontal log and has the text "HARVEY MTN. 0.9 MI." painted on it in bright yellow, block letters. The sign is attached to a tree with distinctive white bark and black lenticels, characteristic of a birch. The background is a dense forest of bare trees with thin, dark branches against a pale, overcast sky. The lighting is soft, suggesting an overcast day.
