

A large central graphic of a face with wide, staring eyes. The face is rendered in a stylized, almost cartoonish manner with a dark blue hood or mask covering the lower half. The eyes are large and detailed, with red irises. The text "SEE SOMETHING SAY NOTHING" is written in large, bold, white capital letters across the center of the face. The background is dark blue and black, with various small, floating elements like eyes, faces, and text fragments.
