# Vanderwhacker Road Campsites

Vanderwhacker Road aka Moose Club Road is one-lane, fairly rough dirt road that has several campsites along it. While it's open all year round, the road is muddy and soft in the spring and snow and ice covered all winter long.

The nicest campsites by far are the campsites along Vanderwhacker Brook and the railroad tracks. It is a very pretty little brook and you can hike along the railroad tracks that are very lightly used.
