

Auger Falls via Griffin Trail (East Side).

A quieter alternative hike back to Auger Falls is via Teachout Road (park on NY 8 or along Teachout Road), pass by Griffin Falls over the Teachout Road Bridge, then follow Teachout Road to Griffin Snowmobile Trail. Hike about a mile back until you hear the falls, then bushwhack east for views of falls and Sacandaga River from the east shore.

Old Route 8A is the pre-1967 routing of NY 8 & 30 up past Auger Falls, which was replaced with a modern, less curvy road that sits above it now. The road surface now removed and planted with grass, it is now used as a snowmobile trail and can be hiked either from Old Route 8A (now a town road) to Auger Falls parking area or vice versa.
